Thanksgiving Month – Celebrating the Spirit of Gratitude

Although Thanksgiving and Loy Krathong come from different cultural traditions, they share a beautiful common value – the spirit of gratitude.

We extend our heartfelt thanks to all our parents and families for your continued support in helping our children appreciate and respect Thai culture and one another's unique differences. Your presence at our Loy Krathong Assembly made the celebration even more meaningful. We feel truly fortunate to be part of such a warm and caring school community and look forward to creating many more wonderful memories together throughout the school year.

Wishing our entire APISP family a Happy Thanksgiving filled with love, warmth, and gratitude!

WINTER WONDERLAND MARKET

Parents and families, join us on December 4 evening, from 4:30 to 8:30 p.m., for our magical Winter Wonderland Market! Formerly known as the Christmas Tree Lighting, this special event is packed with festive favorites for the whole family. Come cheer on our student performers, take photos with Santa, explore delicious food and market stalls, enjoy craft activities, and gather around the cozy fire pit. The evening will culminate in our beautiful Christmas tree lighting and spectacular fireworks!

We look forward to bringing our APIS family together for a joyful evening of festive cheer, warmth, laughter, and wonderful memories on December 4th from 4:30- 8:30 p.m.

CHRISTMAS CONCERTS

Parents and families, Dear parents and families, please mark your calendars for two special festive events before the end of our first semester:

Tuesday, December 15 – "A Little World of Christmas" Our Early Years students will showcase their music, movement, and learning, with a special visit from a VIP guest from the North Pole!

Thursday, December 17 – "It's That Special Time of Year" Our Primary students will share their musical talents and spread the joy of Christmas.

Your presence and encouragement mean so much to our students and teachers. We look forward to celebrating the festive season together as an APISP family!

NATIONAL FATHER'S DAY, LEARNER PROFILE ASSEMBLY & PARENT SUPPORT GROUP MEETING #4

Friday, December 4 – Morning

In remembrance of His Majesty King Rama IX, parents are warmly invited to join our National Father's Day ceremony, followed by the Learner Profile Assembly to celebrate our award recipients and December birthdays. Our Parent Support Group Meeting #4 will follow, providing an opportunity to connect with school administrators and learn more about your children's learning and upcoming activities.

Parents are also invited to explore an exhibition highlighting the life and sustainable development projects of His Majesty King Rama IX, located in the parents' waiting area in front of the building.

We look forward to sharing this meaningful occasion with our APIS families.

CLASSROOM WITHOUT WALLS BY MS. CASSIDI

G.3 LANNA CULTURE AND ECO-LEARNING

Grade 3 students explored Lanna culture and sustainable living through hands-on experiences at an organic farm. They learned about herbs, natural tie-dye, traditional Khao Pook Nga, and homes made from clay and other natural materials. Through these activities, students deepened their understanding of local traditions and our relationship with the environment.

G.4 GEOLOGY AND HUMAN IMPACT

Grade 4 students spent two days exploring the natural environment and the impact humans have on it. Through a hike at Ob Khan, forest bingo, jungle cooking, pollution experiments, and Earth-systems activities, students investigated the connections between people and the environment. Their overnight camping experience also encouraged independence, collaboration, and appreciation for the natural world.

G.5 SUSTAINABILITY AND REGENERATION

Grade 5 students explored sustainable living and environmental regeneration during their CWW experience at Earth Home Guest House. They learned about biochar, regeneration balls, soil microorganisms, adobe building, mushroom cultivation, and check dams. Through hands-on activities and a forest hike, students discovered practical ways communities can care for and restore the environment.

G.6 KAREN CULTURE AND COMMUNITY LEARNING

Grade 6 students spent three days learning alongside the Karen community in Mae Sae. Through service learning at Baan Mae Sae School, hiking, weaving, rice milling, and experiencing daily village life, students developed a deeper appreciation for cultural traditions and sustainable living. The experience encouraged leadership, communication, collaboration, and meaningful connections across cultures.
