- CMAC Senior Cross Country @ Prem

November 28

- Christmas Tree Lighting Celebration

PRINCIPAL'S MESSAGE

Hello Main Campus Families,

It was so lovely to see so many of you up at Main Campus yesterday for our first Parent-Teacher Conferences of the year! While I wasn't able to talk with everyone, I received some valuable feedback and really enjoyed the conversations I did have. Our teachers were very much looking forward to the event, and with such a high percentage of parents attending, it was definitely a worthwhile day. Thank you again!

After-School Activities – This week marked the final week of ASAs for Term 1 (we still have a few sports teams competing – more on that below). There will be no ASAs from **October 27 to November 7**, and Term 2 will begin on **Tuesday, November 11**. The sign-up form has been shared with all students, so please take a moment to look over our offerings with your children and help them select their options for Term 2. The deadline to complete the form is **November 3**.

Thai Day – APIS's annual Thai Day will be held on **Saturday, November 8, from 9:00 a.m. to 12:00 p.m.** Last year's event was canceled due to flooding, so this will be our first Thai Day in two years! We're looking forward to a wonderful day celebrating Thai culture and hope you can all join us. More information will be sent home soon.

Have a wonderful weekend,

Mr. Jordan

ASA SEASON 1 ENDS

Please be informed that ASA Season 1 has concluded this week. There will be no After-School Activities (ASA) during the weeks of October 27-31 and November 3-7. **During this period, dismissal time will be at 3:30 p.m.**

ASA Season 2 will begin on November 21.

PARENT-TEACHER CONFERENCES

Thank you, parents and guardians, for attending the Parent-Teacher Conferences. It was a wonderful opportunity for our teachers to meet with you, discuss your child's learning progress, and gain valuable insights from your perspective. These conversations help us better understand and support each student's growth. If you were unable to attend the Quarter 1 conferences, please feel free to contact your child's teachers via Toddle. The next Parent-Teacher Conferences will be held in March next year. We truly appreciate your continued support and partnership in your child's education.

CMAC GAMES RECAP

The APIS U20 Boys team faced two challenging back-to-back matches this week. Although both games ended in defeat, the team still has a slim chance to qualify for the playoffs.

Throughout each game, the team showed outstanding resilience, determination, and teamwork—fighting hard for every single ball on the pitch. Unfortunately, luck was not on our side this time, but their spirit and effort were truly commendable.

Go Dragons!

BABY PODCAST EP 8 BLASTS, BEASTS, AND BEYOND

The final episode of Baby Podcast ASA Season 1 celebrates discovery and creativity. Andy reveals the Bombardier Beetle's fiery defense, Cindral meets the Maned Wolf, JC explores ancient Ichthyosaurs, Esthee spotlights modern fashion, Coco promotes online kindness, and Lindsey envisions the future of space travel—a perfect finale of curiosity and adventure.
