PARENT-TEACHER CONFERENCES

On October 23rd, we were delighted to welcome families to campus for conferences with teachers. These meetings provided a valuable opportunity to discuss how each child has been settling in, as well as their progress and learning throughout the first quarter. We truly appreciate the time families took to meet with us and engage in meaningful conversations about their children's growth. Together, we continue to build a strong partnership that supports each student's success and well-being.
