PRIMARY WEEKLY NEWSLETTER

WARM WELCOME TO OUR NEW MEMBERS!

We are delighted to welcome Muhammad Adam Bin (Adam) WAHEED to Nursery and Wanqing (Camilla) WU to Kindergarten 2/2. Both students have happily joined Ms. Elena and Ms. Hasnae, along with their teams.

We are also excited to welcome Ms. Aigul Ibatullina, our new art teacher, who arrived in Chiang Mai this past weekend. Ms. Aigul holds a degree in Education from Kazan Federal University in Russia. With several years of teaching experience in Art, she will bring her expertise to help develop the artistic skills of our students.

Please extend a warm welcome to them when you see them around the school!

MAP GROWTH TESTING UPDATE

Our Grade 1 to Grade 6 students have successfully completed the Fall MAP Growth testing this week. We would like to extend our heartfelt thanks to all parents and families for their support in ensuring that their children attended school on time and participated in the tests with their classmates. The results of these assessments are intended to help our teachers adjust their instruction to better support each student's potential, rather than to foster competition.

Thank you for your continued support!

GENTLE REMINDER TO PARENTS

As the weather changes, our students, especially the younger ones, may be more sensitive and prone to illness. We kindly ask parents to observe their children and communicate any health concerns to the school so we can help keep our community safe.

If your child experiences flu-like symptoms or refuses to eat, please keep them at home. Good hygiene is essential both at home and school, and we will continue to monitor students' temperatures and ensure proper classroom disinfection.

Thank you for your cooperation!

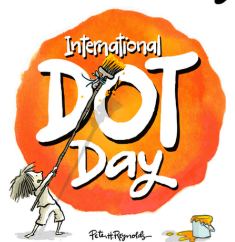

DOT DAY AND WHY WE CELEBRATE

We are excited to celebrate Dot Day on Monday, September 15th! This fun and creative day encourages students to express their individuality and creativity through art. Inspired by the book "The Dot" by Peter H. Reynolds, Dot Day promotes the idea that everyone can make their mark in the world.

We encourage you to support your child by having them wear clothing with dots or create their own dot-themed accessories. Let's come together to celebrate creativity and self-expression!

NEW ELL PARENT INFORMATION MEETING

We invite all new ELL parents to join us for an important information meeting to learn more about the English Language Learning services your child is receiving at school. This session is crucial for understanding the objectives, procedures, and the support our ELL teachers provide to students.

Your participation will help you gain valuable insights into how we can work together to support your child's language development and success.
