Happy National Father's Day!

DECEMBER 1ST - 5TH, 2025

PRIMARY WEEKLY NEWSLETTER

HAPPY FATHER'S DAY

The students have learned about King Rama IX and his contributions to the Thai people. His birthday has been designated as National Father's Day for the entire country. To honor his legacy, our students planted yellow marigolds as a tribute to his goodness towards the nation. May he remain forever in our hearts and memories! Happy Father's Day to all the fathers in our community!

THANK YOU!

Thank you to all parents and families for joining our family event at the Christmas Tree Lighting event last Friday. Your participation helped create a warm and welcoming atmosphere. Everyone enjoyed delightful student performances, the excitement of the lights that brightened our night, and the arrival of Santa and his friends. It was a truly memorable moment for us all!

We also appreciate your attendance at the Learner Profile Assembly on Friday, where we hosted the Father's Day ceremony as part of the event. During the ceremony, we honored students born in November and recognized those awarded for the Learner Profile while paying tribute to our late King Rama IX. A special thank you to the parents who attended the PSG meeting right after the assembly.

GRADE 5 CLASSROOM WITHOUT WALLS

Our 5th graders recently took a trip to Lamphun, where they spent one night exploring Unit of Inquiry 3: "The Earth consists of interdependent systems that sustain life," focusing on the earth's major systems and how they affect life. They learned about their responsibilities in correcting the imbalances caused by human activity. This experience helped students develop independence and responsibility for themselves while living away from home.

STUDENTS' ATTENDANCE DAYS AT SCHOOL

Parents, please take good care of your child/ren's health during this period of changing weather in Thailand. Being unwell can lead to missed school days, especially while teachers are conducting assessments. We encourage you to prioritize health and well-being. Stay safe and healthy!
