- Field Trip - Grade 10 & DP Arts Students

February 7

- CMAC - U20 Basketball Semis/Finals

PRINCIPAL'S MESSAGE

Happy Friday APIS Families,

This week was what I like to call *"the calm before the storm."* It was relatively relaxed—which was a good thing, because next week we have a ton of exciting activities happening up at Main Campus.

First, on **Monday**, we will hold an important meeting for parents of students in **Grades 7–11**. Mr. Steff, owner of **Insight Adventures**, will join us to share all the details about the upcoming **Classroom Without Walls** trips. He will review the itinerary, packing list, safety considerations, behavioral expectations, and everything else you'll need to know. There has been a request to live-stream this meeting for those who cannot attend, and we are doing our best to make this possible.

Next, we are hosting our biggest sporting event of the year—**CMAC Cross Country!** On **Wednesday afternoon**, we will welcome approximately **200 runners** from across Chiang Mai to our campus for what promises to be a wonderful event. We can't wait to show off our school!

And then, next **Saturday, January 31**, is the big event—**International Fair 2026!** The day officially kicks off at 9:00 a.m. (If you are in charge of a booth, please be sure to arrive early.) The day promises to be filled with celebrations, delicious food, fantastic performances, and great energy all around. We truly hope you will join us!

More information is below.

Have a wonderful weekend,

Jordan

APIS CALENDAR 2025–26

CMAC UPDATES: JR. TRACK & FIELD

APIS Primary students proudly participated in the Junior Track and Field Meet on Thursday, January 22, 2026, demonstrating great effort, sportsmanship, and determination throughout the event. Our athletes competed confidently across a range of events, earning several medals and gaining valuable competitive experience. Their commitment, teamwork, and positive attitude were evident and reflected the hard work put into training. Congratulations to all members of our team on a fantastic performance—we are very proud of you! Do Dragons!

G7-11 CWW PARENT MEETING INVITE

As our upcoming Classroom Without Walls (CWW) trips approach next month, we would like to invite you to attend the CWW Parent Meeting on **Monday, January 26, 2026, at the Main Campus Auditorium, from 9:00 AM to 10:00 AM.**

This meeting is a valuable opportunity to meet Insight Adventures, the company facilitating our CWW trips, and to learn more about **the trip itineraries, safety measures, student expectations, packing lists, and logistical details.** There will also be time for questions to ensure you feel informed and confident about your child's participation. We strongly encourage all parents and guardians to attend. Kindly RSVP to confirm your attendance at the event.

Thank you for your continued support.

BABY PODCAST EP 13 COOL SCIENCE, CURIOUS CATS, AND CREEPY GAMES!

This episode explores fascinating ideas from science, history, nature, and pop culture. Andy reveals the science behind why ice floats and how it supports ocean life. Cindral shares the mystery of the rare Suicide Palm from Madagascar. JC revisits the Industrial Revolution and its impact on society. Esthee highlights why cats are special pets. Coco explains the environmental effects of pesticides. Lindsey investigates Roblox's Server 666, while Nick discusses the most addictive games of 2025 and why players can't stop.
