March 26

- U20 Boys Volleyball Friendly Game vs NIS (Home Game)
- U20 Girls Volleyball Friendly Game vs NIS

March 27

- Student-Led Conferences

PRINCIPAL'S MESSAGE

Happy Friday Parents,

It was a wonderful week up at Main Campus. Our **Classroom Without Walls (CWW)** trips have concluded, and the students are back in their classes. They all had a fantastic time! In addition, our **DP Mock Exams** are now finished, which I know our Grade 12 students are very relieved about. It was an excellent learning experience for both students **and** teachers.

Next week, we have several exciting things happening. **I Love to Read Month** is kicking off, promising a full month of fun literacy activities designed to get students excited about reading. We also have our **Quarter 3 Assembly**, which will be led by Grade 8 on March 20. That day will also mark the end of Quarter 3, and **report cards will be sent home via Toddle** then.

As a final note, I would like to remind parents that we have sent out our **Intent to Return** letters to all families. These letters are very important as they help us prepare for next school year by giving us a clearer picture of our expected enrollment. We have extended the deadline to next **Friday, March 13**, so please complete the form below as soon as possible.

Thank you for your continued support, and have a wonderful weekend.

Regards,

Mr. Jordan

EA FIELD TRIP TO WATTANA ART GALLERY

On February 27, 2026, English Academy students enjoyed a wonderful field trip exploring local art in Chiang Mai. Students visited two creative spaces: Wattana Art Gallery and Baan Kang Wat where they could see artists at work and experience how art is made and shared with the community. Joined by Ms. Angie, our Visual Art teacher, students were able to step outside the classroom and see how galleries and workshops bring ideas, materials, and creativity together. The trip was a joyful experience and gave students many new sights, ideas, and stories to bring back to our classroom learning.

EARTHQUAKE DRILL

Main Campus conducted an earthquake drill on March 5, 2026, to help ensure that students and staff are well-prepared in the event of an emergency. During the drill, students practiced the proper safety procedures, including “Drop, Cover, and Hold On,” and followed evacuation guidelines once the shaking was assumed to have stopped.

Teachers and staff guided students through the process to reinforce awareness, safety, and calm responses during unexpected situations. This activity plays an important part in maintaining a safe school environment, helping our community stay prepared and responding effectively when a real earthquake occurs.

BABY PODCAST EP 17 ICE, GHOSTS, GAME, AND EVERYDAY WONDERS

In this episode, G12 Andy explains why ice floats and why it matters for life. G7 Cindral reveals the Asian Bleeding-Heart Plant’s unique beauty. G9 JC recounts Thailand’s Mae Nak legend. G6 Esthee reflects on smartphone dependence. G6 Coco explores brain-boosting video games. G5 Lindsey shares a heroic cat story, while G9 Nick compares Xbox, PlayStation, and PC gaming worldwide.

I LOVE TO READ MONTH

The ILTRM team is excited to announce I Love to Read Month, running from March 12 to April 2! This month is all about building stronger reading habits, having fun with books, and earning points through advisory challenges. Advisory teamwork will be especially important—your advisor’s support and your class collaboration will help your group succeed, create stronger class bonds, and make this a shared celebration of reading. Below are the activities running throughout the month:

 **Book Trailer Contest (Advisory Competition)**
Each advisory will create ONE book trailer to represent your class.

 **DEAR Time (Drop Everything And Read)**
During advisory, you will have DEAR time to read quietly.

 **Book Snapshot Wall**
Show what you’re reading by posting to the Snapshot Wall!

 **Mystery Staff Selfie Sprint (Library – Miss Ning)**
A quick and fun guessing game in the Library!

Every Monday, the ILTRM team will share the weekly focus and reminders in advisory so everything runs smoothly.

Bring your book, join your advisory team, and let’s make ILTRM a month where we celebrate reading together and become even stronger APIS Reading Dragons! Read. Snap. Share.

Happy reading,

I Love to Read Team

Q3 STUDENT-LED ASSEMBLY AND G12 VISUAL ARTS EXHIBITION INVITE

We warmly welcome parents, teachers, and students to attend the Quarter 3 Student-Led Assembly as well as the Grade 12 Visual Arts Exhibition Opening Day on Friday, March 20, 2026.

Starting at 8:45 am, **the assembly** will be hosted by Grade 8 students, centering on the Learner Profile traits of being Open-minded, Courageous, and Communicators. The agenda is structured to highlight recent schoolwide achievements and activities, featuring:

- Award Presentations: Recognition for the Science Fair, CMAC, the AMC Mathematics Competition, and the featured Learner Profile traits.
- Student Showcases: Video highlights from recent CWW trips and displays of current student projects.
- Performances and Activities: Live music and an inclusive group activity to engage the audience.

After the assembly, **the Grade 12 Visual Arts Exhibition reception** will be held in the school cafeteria gallery area, from 10:00 am to 11:00 am. Join us in celebrating the curation and display of our Grade 12 Visual Arts Exhibition, marking the culmination of two years of sustained studio practice, critical inquiry, and curatorial decision-making. The exhibition will run from March 17 to 27, 2026.
