PRIMARY WEEKLY NEWSLETTER

THANK YOU!

We would like to extend our heartfelt thanks to all Primary parents for supporting your children during the Sports Day event last Friday. The students truly enjoyed showcasing their flexibility and sports skills learned in PE classes. A highlight of the day was the marching band featuring students from different Houses, followed by the House Dance competition. Both students and teachers had a wonderful time taking part in the activities, fostering pride and unity in our House Spirit.

We also want to extend a special thank you to every parent who attended the March Learner Profile Assembly to honor the students born in February and also students who received the Learner Profile Awards. Your presence means so much to our school as we work collaboratively with all parents to support our students.

AFTER SCHOOL ACTIVITY SEASON 3

We extend our appreciation to the parents who responded to the activity survey for our students, allowing us to select activities based on their passions. The after-school activities began on Wednesday. If you have any questions or concerns regarding the activities, please reach out to Ms. Lisette, the ASA coordinator, at lisette.barton@apis.ac.th. Thank you for your continued support!

I LOVE TO READ MONTH

To promote the joy and importance of reading among our students, the ILRM committee has planned various activities throughout March and into early April. Please see page 3 of this weekly news for more information. The event will kick off with a launch on March 9th.

During the first week March 9th - 13th, Asia Book will host the Book Fair, followed by Book@53, which will conclude the event during March 31st to April 1st. Parents and families are invited to visit these two book fairs to select quality books at reasonable prices for your children to enjoy at home. Thank you for encouraging a love of reading!

INTENT TO RETURN INFORMATION

Dear Primary Parents and Families,
Thank you to those who have already submitted the survey regarding your intent to return for the next school year. We understand that some of you may be busy with work and might have forgotten to respond. To accommodate everyone, the school will extend the deadline until March 13, providing an additional week for those who have not yet completed the survey. Please fill out the survey by March 13, 2026, to ensure a seat for your child for the 2026-2027 school year. Here is the link: [Intent to Return Survey](#). Your cooperation will help the school plan for adequate teachers and resources to support your child's learning.

QUARTER 3 LEARNING UPDATE

The learning update for Quarter 3 will be posted on Toddle on March 20th. Parents, please take the time to review your child's progress and the assessments conducted by their teachers during this third quarter. Thank you for your continued support!

WIDA TEST ANNOUNCEMENT

The WIDA test, which stands for World-Class Instructional Design & Assessment by the University of Wisconsin-Madison, will be administered to all ELL students from March 16 to 20. This assessment will help us evaluate their progress in language development.
