PRIMARY WEEKLY NEWSLETTER

WARM WELCOME & WELCOME BACK TO SCHOOL!

Warm welcome to our new member, Jinyi (Doris) ZHAO, who joined Grade 3 on Monday. Ms. Anya, Ms. Mint, and their students are delighted to welcome her. We hope every family enjoyed the two-week April break with your children and had a chance to refresh and celebrate the Songkran Festival. Welcome back!

THANK YOU!

Thank you to all parents for supporting students' health by wearing masks during this smoky season. With the high temperature and poor AQI, students have stayed indoors for their safety, and our field trips have been postponed. Parents, please avoid exposing your child(ren) to outdoor air for long periods without a mask. Also, please monitor their temperature and keep them at home if they show any cold or flu symptoms.

Thank you to our parent representatives for meeting with the ONESQA visiting team on Wednesday, April 22, 2026, and sharing information about our Thai language and Thai culture program. The visit went smoothly, and the team was impressed by the interviews with students, teachers, and parents. We will receive their formal written report within the next few weeks.

MAP TESTING

Grade 1 to Grade 6 students will complete the Spring MAP tests next week.

- Grade 1–2: 2 tests (Reading and Math)
- Grade 3–6: 3 tests (Math, Reading, and English Usage)

Parents, please help your child(ren) get enough sleep, eat healthy meals, and arrive at school on time so they can test with their classmates. Thank you for your understanding and cooperation.

EARLY YEARS SPORTS DAY

The Early Years Sports Day will take place on Thursday, April 30, for students in Mini & Me, Pre-Nursery to Kindergarten 3. This is an internal school event, and a backup plan has been prepared in case of a high AQI.

Parents will receive more information and details from Ms. Angel. Thank you for your support!

PYP EXHIBITION

After few months of research and learning, our Grade 6 students will host their PYP Exhibition on May 1st.

Grade 6 parents should receive an invitation from Ms. Cassidi, the PYP Coordinator, so please watch for it and don't miss this event.

To celebrate your child's completion of the Primary Years Programme journey, we will gather on Friday, May 1 at the Main Campus. **If you need any help with traveling or logistics, please let us know.**

FLAG RAISING

| | |
|---------------------|------------------|
| Monday, April 27 | Noah + Mida |
| Tuesday, April 28 | George + Cherry |
| Wednesday, April 29 | Punno + Seiya |
| Thursday, April 30 | Arya + Chucheng |
| Friday, May 1 | Avery D. + Henry |

MAP TESTING

STUDENTS WILL SOON TAKE THE MEASURES OF ACADEMIC PROGRESS (MAP) GROWTH ASSESSMENTS. THIS IS AN ONLINE TEST THAT HELPS PARENTS AND TEACHERS UNDERSTAND EACH CHILD'S LEARNING PROGRESS OVER TIME.

PRACTICE SESSIONS:
APRIL 27-30

Students will practice using the test so they feel comfortable.

TESTING DATES:
MAY 5-15

Homeroom teachers will share the exact dates.

G.1-2 Mathematics and Reading

G.3-6 Mathematics, Reading, and Language Usage

MAP results will be shared in June with your child's final report. We will also offer a parent session to help explain how to read the report.

Families can find more information here:
