- 31 - Residential: Escape Room
U20 Football @ GIS
Halloween

Dear Residential Students and Families,
Happy end of September!

This month, our residential community has been very busy and full of energy. The students have settled well into their routines, and it has been wonderful to see their progress. Here are a few highlights from September:

- **Studying Hard:** Students are working hard on their schoolwork and establishing good evening study habits.
- **Making New Friends:** Our students are building strong relationships, helping each other, and making new friends in the dorms.
- **Staying Active:** Students have enjoyed staying healthy through sports, outdoor games, and weekend activities.
- **Practicing Life Skills:** Students are keeping their rooms organized, managing their time, and taking responsibility for their daily routines, including laundry.

Thank you for your continued trust and support. As always, please feel free to reach out to any of the residential staff if you have questions or concerns regarding your child.

Warm regards,

Ms. Stacey
