October 9

- Q1 Ends

October 10 - 18

- October Break

PRINCIPAL'S MESSAGE

Good Afternoon MC Families,

I hope you all had a wonderful week! Up here at Main Campus, we were focused on our annual MAP Growth Assessments, and I am happy to report that things went very well. We have a few make-up tests to complete next week, but we had excellent attendance this week, and almost all of our students were able to complete all three assessments. Thank you for your support throughout the process!

Additionally, our After-School Activities (ASAs) started this week! Our football team is practicing hard, our girls' volleyball club got underway, and all of our other activities had an excellent start to the term.

Next week, we are thrilled to be hosting the CMAC Jr. Swimming Warm-Up! This annual event will bring more than 180 athletes from nine schools to APIS Main Campus for some friendly competition in the swimming pool. The event begins at 2:00 p.m. on Wednesday, September 9, and everyone is welcome to come out and support our swimmers!

That's it from us here at Main Campus. Have a wonderful weekend, and we'll see everyone back on Monday!

Regards,

Mr. Jordan

APIS CALENDAR 2026-27

THAI LANGUAGE ACQUISITION – INTERVIEWING THAI STAFF

On Thursday, September 3, 2026, our students had the opportunity to strengthen their Thai communication skills through authentic interviews with Thai staff members.

During these conversations, they explored topics related to identity, culture, and traditional Thai beliefs, gaining valuable insights into the experiences and perspectives of others. This engaging real-world learning experience helped students build confidence in their speaking and listening abilities while fostering a deeper appreciation for Thai culture. Throughout the activity, students demonstrated key IB Learner Profile attributes, including being Communicators, Inquirers, Open-minded, Caring, and Risk-takers, as they asked thoughtful questions, listened respectfully, and confidently used Thai in meaningful interactions.

APIS PODCAST: EXPLORE THAILAND WITH OUR GRADE 7

In this episode, our Grade 7 students present two engaging topics that showcase the culture and traditions of Thailand. Esthee explores the beauty and cultural significance of Chiang Rai's renowned Wat Rong Khun (White Temple), while A-Gan shares practical etiquette tips, highlighting important do's and don'ts for visitors to Thailand. Through these informative student podcasts, listeners are invited to deepen their understanding and appreciation of Thai culture and heritage.

THAILAND YOUTH POETRY SLAM IS HERE

Are you passionate about writing, performing, or sharing your ideas through poetry? Join the Thailand Youth Poetry Slam this October in Bangkok as part of Bangkok Climate Action Week!

This exciting event brings together young poets from across Thailand to share their original work, connect with other creative students, and use poetry as a powerful way to express their thoughts about the world around them.

If you are interested in participating, please click the link below for more information. We look forward to seeing you in Bangkok and celebrating the creativity and voices of Thailand's young poets!
