PRIMARY WEEKLY NEWSLETTER

TEACHER'S PROFESSIONAL DEVELOPMENT DAY (NO SCHOOL)

Please note that there will be no school for students on Monday, September 21, 2026, as our teachers participate in a Professional Development Day. **We wish all of our families a wonderful and relaxing long weekend!**

WORKING TOGETHER AS A COMMUNITY

Educating and nurturing a child is a shared journey that a school cannot accomplish alone. Parents, families, and community members are essential partners in shaping our students' futures. We are proud to work side-by-side with our families to guide and empower our students to become thoughtful, responsible global citizens. **Thank you for being an active partner in your child's education!**

JOIN OUR MISSION & VISION SUMMIT!

Parents and representative students are cordially invited to participate in our upcoming Mission & Vision Summit on Monday, September 21st, 2026 from 2-4 pm in the Primary Auditorium. As part of our regular school development cycle, we are reviewing and updating our guiding statements including our mission and vision to ensure they continue to meet the evolving needs of our students and community.

An invitation has been sent out twice via Toddle. **Thank you to all the parents who have already responded to join us! If you are still interested in taking part and shaping our school's future direction, please let us know.**

IMPORTANT CLARIFICATION: PDPA CONSENT FORMS

Thank you to all the parents who have already returned the PDPA consent form. Please be aware of an important update regarding our school policy: consent is now strictly a **"Yes" or "No"** choice (partial consent options are no longer available).

Please note: Choosing **"No"** means your child's photo or video cannot be used in any school publication. This includes all school social media posts as well as the Yearbook.

We apologize for any inconvenience this policy update may cause. This simplified approach helps ensure we protect student privacy accurately without any accidental oversights. Thank you for your understanding and support!

GRADE 3 – 6 SEMI-FINAL SPELLING BEE!

Vocabulary building meets friendly competition on **Thursday, September 24th, in the School Library.** Our **Grades 3 to 6 students will showcase their knowledge of** spelling and spelling patterns to spell math and unit of inquiry words aloud. The students will showcase their confidence and English spelling proficiency! Good luck to the semi-finalists!

PROTECTING STUDENT PRIVACY: A QUICK REMINDER

To keep all of our students and staff safe, please remember our photo guidelines during school events:

Take photos of your own children only.
Do not post photos or videos of other students on social media.

Many families have different privacy and safety needs for their children. Thank you for helping us respect everyone's privacy and keep our school community safe!

DOT DAY

BY MS. KIM

Our APIS community celebrated International Dot Day, joining millions of students worldwide to honor creativity, courage, and collaboration! Throughout the day, students participated in Dot Day challenges, enjoyed parachute fun during recess, and shared their creative ideas with one another. Thank you to our families, students, and staff for making the day such a memorable success!
