

# "APISP joins the Nation in mourning the Loss of Her Majesty Queen Sirikit, the Queen Mother"

Forever in our hearts, with profound gratitude for Her immeasurable grace and benevolence.

The Board of Directors, Administrators, Faculty and Staff  
American Pacific International School (Primary)

Deepest condolences on the passing of  
Her Royal Highness Princess Bajrakitiyabha.  
May Her Royal Highness rest in peace!

The Board of Directors, Administrators, Faculty and Staff  
American Pacific International School & American Pacific International School (Primary)

# PRIMARY WEEKLY NEWSLETTER

## THANK YOU!

To parents and families for taking good care of your child/ren so that they could attend MAP Growth testing for the last two weeks. Next week will be our last week for MAP Growth testing.

To parents who supported the CMAC Junior Swim Meet at our Main Campus on Wednesday and the U8 Basketball matches on Thursday. The students were enthusiastic about joining the tournament and represented APIS with pride. Thank you to all the coaches, especially Coach Nich!

## GET READY FOR APISP DOT DAY!

Mark your calendars for International Dot Day on Tuesday, September 15! We encourage all students and families to join the fun by wearing dots, spots, and circles from head to toe. This special day celebrates creativity, self-confidence, and the bravery to stand out and make your mark.

Some of our parents already had a head start with some information and activity during last Friday's PSG meeting, and now it's time for the rest of the school to jump in. We can't wait to see all the creative, spotted outfits around campus!

## CAMPUS SAFETY FIRST: LOCKDOWN DRILL SUCCESS

On Wednesday, our primary students and staff successfully practiced our first lockdown drill of the school year. Routine drills like this help ensure our entire school community remains safe, prepared, and confident in emergency procedures. Every class did a fantastic job listening attentively and following instructions smoothly. Thank you to our teachers and young learners for a safe and successful practice!

## PROTECTING STUDENT PRIVACY: A QUICK REMINDER

To keep all of our students and staff safe, please remember our photo guidelines during school events:

**Take photos of your own children only.**

**Do not post photos or videos of other students on social media.**

Many families have different privacy and safety needs for their children. Thank you for helping us respect everyone's privacy and keep our school community safe!

## UPCOMING STUDENT HOLIDAY: TEACHER PROFESSIONAL DEVELOPMENT DAY

A friendly reminder that there is no school for students on Monday, September 21st, as our teachers participate in a professional development day. We encourage families to turn this day into a meaningful learning opportunity at home or outdoors! Simple activities like helping with household chores, cooking together, or discovering nature are great ways for students to build real-world skills and learn what it means to be a helpful, responsible family member.

## FLAG RAISING

|                         |                 |
|-------------------------|-----------------|
| Monday, September 14    | Emily + Leo G.4 |
| Tuesday, September 15   | Cici + Yuta     |
| Wednesday, September 16 | Hanoka + Rain   |
| Thursday, September 17  | Cecilia + Arjit |
| Friday, September 18    | Cici + Roy      |

## SUPPORTING OUR STUDENTS TOGETHER

Children thrive when home and school work as a team! If there are any shifts at home that might impact your child's emotions, energy, or routines, please don't hesitate to reach out to your child's homeroom teacher. When we are aware of what is happening in their world, our team can provide extra encouragement, understanding, and care to help them feel safe and supported at school.

# Updates from the Counselor, Ms. Alex

It has been such a warm and welcoming start to the school year, and I have really enjoyed getting to know our Primary students and helping them get to know me too.

Over the past few weeks, we have already shared so many fun moments together - dancing, singing, playing games, and taking part in activities that encourage us to learn more about ourselves and each other. Through these experiences, students have begun exploring who they are, how they feel, and different ways they can express themselves with confidence and kindness.

Building positive and trusting relationships with our students is so important, and it has been wonderful to see their personalities shine through as we spend time together.

I am incredibly happy to be part of the APIS community and am looking forward to a year filled with connection, growth, laughter, and learning together!
