- Loy Krathong

November 27
- Learner Profile Assembly
- MC PSG Meeting

APIS CALENDAR 2026-27

PRINCIPAL'S MESSAGE

Good Afternoon MC Families,

Happy Friday! I was off campus for much of this week, so it was a bit of an unusual one for me. That's not to say it wasn't busy!

This week, we sent off our very first **Classroom Without Walls (CWW)** trip of the 2026–27 school year (more on that further down in the newsletter). Our English Academy students had a fantastic time exploring the great outdoors, and I'm sure our Grade 6 students will have just as much fun when they head off on their own adventure next week!

Also this week, we finally received our new **Main Campus House T-shirts!** They were distributed earlier in the week, and students proudly wore them for today's House Challenge. If you missed the opportunity to order a shirt last time, don't worry! We will be sending out a second order form soon.

Today's House Challenge was divided into two parts. Some of our students competed in a fierce series of hockey games, with the **YELLOW IGUANAS** coming out on top! Meanwhile, the rest of our students participated in a series of Minute to Win It-style challenges designed to test their speed, accuracy, and ability to stay calm under pressure. Everyone had a great time!

I hope you all have a fantastic weekend. I encourage you to take a page from our English Academy students' book and get outside to enjoy nature!

That's it from me this week. See you all on Monday!

Regards,

Mr. Jordan

A SPOOKTACULAR HALLOWEEN CELEBRATION AT APIS

On October 30, 2026, APIS Main Campus celebrated Halloween with a fun-filled event that brought students together for a day of excitement, laughter, and festive spirit. The campus came alive with Halloween decorations and students dressed up in creative, spooky, and fun costumes, adding to the festive atmosphere.

Throughout the event, students enjoyed spending time with their friends, participating in fun activities, and showing off their Halloween looks. It was a great opportunity for everyone to step away from their usual routines, express their creativity, and enjoy a memorable day with classmates.

The celebration was filled with smiles, laughter, and plenty of Halloween spirit. Thank you to everyone who helped make the event special and to our students for bringing their creativity and enthusiasm to this spooktacular day!

APIS FIRST EVER CWW TRIP FOR EA

On Tuesday, November 3, APIS launched its first-ever Classroom Without Walls (CWW) trip for students in our English Academy! This two-day, one-night adventure took students to the beautiful Chiang Dao area, approximately two hours north of Chiang Mai.

Accompanied by Mr. Jordan, students participated in a variety of exciting outdoor activities, including exploring the famous Chiang Dao Cave, learning how to start a fire using only flint, a striker, and tinder, building simple shelters, cooking their own dinner over an open fire, and constructing a raft to navigate a lake. For many of our students, it was also their first experience sleeping in tents!

The group had an amazing time, learned valuable new skills, and is already looking forward to their next CWW adventure!

We would like to extend a special thank you to Mr. Steff and his company, Insight Adventures, for partnering with APIS to provide this outstanding experiential learning opportunity.

HITTING THE FLOOR: THE FLOOR HOCKEY CHALLENGE

On Friday, November 6, Main Campus students successfully took part in this year's House Challenge: the Floor Hockey Challenge. Students came together for an exciting day of friendly competition, bringing energy, enthusiasm, and determination as they represented their respective Houses.

Divided into four House teams—Anacondas, Polar Bears, Iguanas, and Sharks—students put their coordination, agility, and teamwork to the test through a series of floor hockey matches. Throughout the competition, participants demonstrated effective communication, strategic thinking, and perseverance while supporting their teammates and showing great House spirit.

We commend all four Houses for their enthusiasm, competitive spirit, and outstanding sportsmanship throughout the challenge. The event was a wonderful opportunity for students across different year groups to connect, work together, and enjoy another memorable House Challenge!
