# KINDNESS WEEK

Small acts of kindness make a BIG difference!
What a wonderful week it has been! Our students have been spreading kindness in so many beautiful ways, from playing with new friends and making heartfelt cards of appreciation for those who care for us at school, to creating colourful kindness chains that connect us all.
It truly warms my heart to be part of such a caring and thoughtful community here at APIS. Let's keep spreading kindness, sharing smiles and making a difference, one small act at a time!
Kindness is free, but its impact is priceless!

Ms. Alexandra Godward
