- Semester 1 Ends

December 19 - January 10
- December break

APIS CALENDAR 2026-27

PRINCIPAL'S MESSAGE

Good Afternoon MC Parents,

Happy belated American Thanksgiving! Thanksgiving has always been one of my absolute favorite times of the year. It's a time to celebrate family and friends, reflect on all the wonderful things we have to be grateful for, and, of course, enjoy some amazing food!

First, I want to thank all the families who came up to MC this morning to support our Grade 8 students and attend our November PSG meeting. One of the main topics we discussed at the PSG was just how busy the next few weeks will be leading up to Winter Break!
I won't go into all the details here (the calendar to the left will explain everything), but I do want to emphasize just how many opportunities there are between now and December 18 for parents to come up to Main Campus and get involved in our school community. We have markets, fundraisers, concerts, assemblies, and even a Sports Day!

Speaking of markets, next Friday is our first-ever **Winter Wonderland Market!** So far, we have more than 30 vendors signed up for this wonderful event, and we couldn't be more excited!

For those families who have been with us for a while, we will still be enjoying all the traditional activities that make our annual Tree Lighting Ceremony so special. This year, however, we're adding even more to the mix and opening the event up to the wider Chiang Mai community!

And that's where you come in — **we need your help to make the Winter Wonderland Market a success!** Further down in this newsletter, you will find the flyer for the market. Please share it with your friends, family, and networks. Post it on social media. Share it in the Facebook groups you belong to. Help us spread the word!

With your support, we can make our Winter Wonderland Market a can't-miss event on Chiang Mai's festive calendar!
That's it from me this week. Have a wonderful weekend, and we'll see everyone back on Monday!

Regards,

Mr. Jordan

APIS CELEBRATING LOY KRATHONG

On November 25, APIS celebrated the beautiful Thai tradition of Loy Krathong with a day filled with creativity, culture, and community spirit.

Students and teachers took part in hands-on activities, making their own krathongs and lanterns while learning more about the meaning and traditions behind this special Thai festival. The activities provided an opportunity for students to explore Thai culture through creativity and teamwork.

The celebration also featured special performances by APIS students and teachers, bringing the community together to enjoy the festive atmosphere. It was a wonderful opportunity for everyone to appreciate Thai cultural heritage, share traditions, and celebrate this meaningful occasion together.

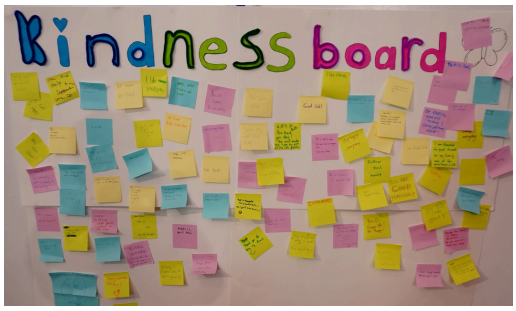

ASSEMBLING FOR OUR CARING LEARNERS

On November 27, APIS Main Campus held a Learner Profile Assembly to celebrate and recognize students and staff who demonstrate the IB Learner Profile attribute of Caring. During the assembly, nominees and award recipients were announced and acknowledged for the positive contributions they make to our school community.

Being Caring means showing empathy, compassion, and respect, dedicating oneself to service, and creating a positive impact on the lives of others and the world around us. Through their everyday actions, these individuals demonstrate the importance of looking out for one another, offering support, and making thoughtful choices that help create a welcoming and inclusive environment.

Congratulations to all the nominees and award recipients! Your kindness, compassion, and commitment to helping others reflect the true meaning of being Caring and inspire our entire APIS community to make a difference every day.

APIS MC PSG MEETING

Following the Learner Profile Assembly on November 27, APIS Main Campus held a Parent Support Group (PSG) meeting, bringing parents and school representatives together for an opportunity to connect and engage with the school community.

The meeting provided a platform for parents to share ideas, exchange perspectives, and discuss matters related to the school. It also encouraged open communication and allowed parents to share their thoughts and experiences.

Through these discussions, parents had the opportunity to strengthen their connections with one another and with the school. The meeting highlighted the importance of parent involvement and collaboration in supporting students throughout their learning journey.

APIS values the continued support and participation of our parent community. By working together, families and the school can build strong partnerships and create a positive, supportive, and welcoming environment where every student can thrive.

JOIN US FOR A WINTER WONDERLAND MARKET!

Get ready for the Winter Wonderland Market! We warmly invite our APIS community to join us for this festive event. **Please take a moment to check out the flyer below for more details and help us spread the word by sharing it with your friends, family, and wider networks.** Your support will help us make this event even more special!
